VOLUME 6 ISSUE 10

JUNE 2008

## It's Time to Re-Enroll for Fall 2008!

### Re-Enrollment

We are enrolling students now for the 2008-2009 Teaching Year.

Remember, we don't assume you would like the same day and time that you currently have, so be sure to speak to the front desk about reserving your spot for next year.

### Summer Lessons at The Piano Studio

Music lessons don't end when school is over! We offer Summer Lessons in all instruments during the months of July and August, and we highly recommend some lessons to keep up the momentum! Summer scheduling is flexible—sign up only for the weeks you will be around! We offer morning, afternoon and evening lesson times. Summer Enrollment has begun, so see the front desk to sign up.

### The Piano Studio Summer Camp

**Only 7 spots left!**

We can't believe our Summer Camp program is almost sold out! We do have seven spots left, though, so sign up as soon as possible if you want to reserve a spot!

### Spring Recitals a Success!

We had a great 2 weekends of Recitals this Spring! Thank you to all students who participated—we loved hearing you play. We appreciate the hard work both students and teachers put into preparing for the Recitals. They went very smoothly thanks to everyone's help!

### Piano Studio Exam Week

At the end of each Teaching Year at The Piano Studio we give students an end-of-year exam. The purpose of these Exams is to complete the year with a fun test to gauge progress and to give students and their parents feedback. These exams are in no way intended to put pressure on students.

Exams will be given during lessons the week of June 16th. Completed and marked exams will be returned to students either in person or by mail during the week of June 21st.

### CD Recordings

Piano students have been recording pieces with their teachers throughout the year during their lessons, with the intention of burning these songs onto a CD for those students who want one at the end of the year. The cost of the CD is \$10. If you would like a CD of your recordings, please let your teacher know and pay for it at the front desk. We will have it ready for you during the last week of lessons.

### Have a Great Summer!

The last day of regularly scheduled lessons will be Thursday, June 26th.

Summer lessons begin on Wednesday, July 2nd.

Thank you all for a wonderful Teaching Year. We hope you have a restful and relaxing summer!
